## *Fuel Oil Non-Availability Report*

20 January 2015

### *Possible duplicate - explanation:*

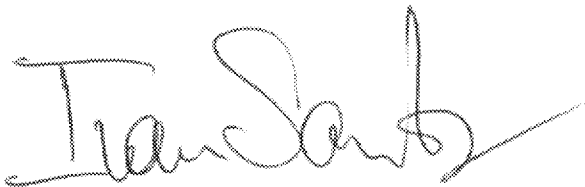

*FYG FONAR for this vessel was first submitted online via the website on 9<sup>th</sup> JAN 2015. Last week we checked online and could see the report. Same was made basis vessel calling Norfolk which at that time was intended load port.*

*On 16<sup>th</sup> Jan 2015 we changed password and other items for our login on FONAR website and it seems this has deleted our history since "submission history" is now empty.*

*For sake of good order the FONAR application was today re-submitted for vessels call in Baltimore on 23<sup>rd</sup> Jan 2015 which is the confirmed 1<sup>st</sup> loadport.*

*FYG "ship operator name" used is Norden Tankers & Bulker USA, Inc which is our American branch office. Head office is still Dampskibsselskabet Norden A/S of Denmark.*
